Participant Statement

Thank you for taking the time to consider the letters of Longbranch residents regarding the development project put forward by the owners of the buildings located at 220, 230 and 240 Lake Promenade and 21 and 31 Park Boulevard.

In addition to the many concerns expressed in my neighbours' statements, I am extremely concerned about the residents of the existing apartment buildings. While we know that there is a need for densification in our city to increase housing options, the fact that this development plan will inevitably lead to displacing and unhousing countless residents is an inhumane and unacceptable proposal, particularly for seniors, families and vulnerable persons. I am confident that you understand well the multiple impacts of homelessness on individuals and on the community as a whole. I believe strongly that we must move against prioritizing the financial gain of developers over the right to safe and secure shelter of the current residents.

Please show your commitment to Longbranch residents by giving a voice to all those who are directly affected by the development proposal.

Sincerely,

Dear Katherine & Ryan,

Please find attached my Participant Status Request form for OLT Case OLT-24-000882 and please also note that on September 19th 2024, I received in English a Notice for an October 18th Ontario Land Tribunal Virtual Case Management Conference. My front neighbour is still waiting to receive his Notice in French.

Are English and French still the official languages of the Tribunals of Ontario?

I support Annie Dell's request to adjourn the October 18th Conference to a date in February 2025.

Thank you for your attention to this matter.
