Participant Statement

I live at 46 Eleventh Street name in the neighbourhood of New Toronto/Long Branch. This application if approved directly affects me. I respectfully wish to register as a participant in the current appeal regarding the proposed application.

First, demolishing solid, well constructed, low rise apartment buildings to build other buildings is an environmental crime in this time of catastrophic climate change. As you know, cement is the the world's 3rd largest CO2 emitter so planning to demolish 220, 230, 240 Lake Promenade and 21 and 31 Park Blvd is short sighted in the extreme. It is an affront to all that's decent.

Second, I take great exception to plans to displace the current residents especially in a time of housing shortages. I don't have to reiterate the suffering that this ill thought plan would cause to the tenants. The proposed plans affect me profoundly as they are an affront to human rights!

Third, the planned new buildings are neighbourhood destruction

Inira, the planned new buildings are neighbourhood destroyers-- way to high, too dense.
